Dear Sir

I send herewith for your favorable consideration an application from Ramaswamy, a student of the 3rd year class in the Madras Medical College, Madras. His name is B Venkoba Rao, son of B Venkata Rao Taluk Munsiff of [illegible] and is 19 years of age.

I must explain that some months ago, during your absence at Calcutta, I recommended the same student for a Scholarship to enable him to study at the local Medical School. Shortly thereafter he was guilty of insubordination to one of the masters and I was obliged to withdraw my previous recommendation
